

FTP Site For Official Records

Dear FTP Customer:

The Lee County Clerk of Courts is pleased to announce the availability of daily images, indices, and plat images for download. All Official Record images and indices are updated on a daily basis. Prior official record books, and plat books are available upon request.

Initial Deposit: \$300.00

Monthly Fee: \$135.00

On the first business day of each month, we will deduct the monthly fee of \$135.00 from your account. It is recommended that you maintain a minimum balance equal to at least 2 months' worth of activity in your account at all times, so that your service is not interrupted.

You will need to provide us with your "Endpoint" IP address. This is the IP address that our server will see your communications as coming from. For a cable or DSL internet access user this will be the address of your modem. For a leased line typical of larger businesses this will be your firewalls external IP address. We use these addresses as a security measure to control who is allowed to login.

If you would like to subscribe to this service, please complete the FTP Escrow Account Registration Form, enclose a check payable to: Lee County Clerk of Court in the amount of **\$435.00**.
