Fort Myers, FL., May 1, 2017 – Juror Appreciation Week April 30 – May 6, 2017

In recognition of Juror Appreciation Week (April 30-May 6, 2017), Lee County Clerk & Comptroller, Linda Doggett, would like to extend a sincere thank you to all those who have invested their time making the jury process run smoothly.

Jury by trial, is a fundamental right guaranteed to all Americans by the Constitution. Serving as a Juror provides justice for all American citizens. It is a privilege, as well as a duty to serve.

Florida law governs the selection of jurors by randomly choosing from the Department of Highway Safety and Motor Vehicles (DHSMV) records. In Lee County, citizens with valid Driver's Licenses or Identification cards are picked for Jury Duty as a one day or one trial event. Most trials last only one day, but if you are selected for a trial that lasts longer, you must serve the length of that trial.

For more information about Jury Duty reporting, requests for excusals and general information, select the [Jury Duty](#) tab on the Clerk's website www.Leeclerk.org.

The American system of justice could not operate without the service of jurors. We thank the residents of Lee County.
