Lee Clerk reopens Cape Coral office for services by appointment

FORT MYERS, FL (Oct. 20, 2020) – Lee County Clerk Linda Doggett announced the Cape Coral office will resume services by appointment starting Oct. 26, 2020. Appointments at the government center will be available between the hours of 8 a.m. and 4 p.m., Monday through Friday.

Cape Coral residents may schedule an appointment to pay traffic fines, court case fees, probation, and other municipal and county infractions. Notary services are also provided for a $10 fee, and a free public computer station is available to search and view court and official records online.

“Our primary goal is to ensure our Lee County residents have easy access to our services in a safe environment,” Doggett said. “While most of our services are available online, we understand that not everyone has computer or internet access.”

Anyone visiting the office will be required to wear a face mask, maintain six feet distance from others, and there is a two person limit in elevators. If they are unable to visit the office in person, they can connect via Zoom for select services during business hours without an appointment.
