INDEPENDENT AUDITORS' REPORT

Honorable Board of County Commissioners
Lee County, Florida, Board of County Commissioners, Florida

We have audited the accompanying Statement of County Funded Court-Related Functions, Section 29.0085, Florida Statutes (Statement) of Lee County, Florida, Board of County Commissioners, Florida (County) for the year ended September 30, 2020, and the related notes to the Statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of the Statement in accordance with the financial reporting provisions of Sections 29.008 and 29.0085, Florida Statutes. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the Statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the Statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Statement. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the Statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the Statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the Statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Honorable Board of County Commissioners
Lee County, Florida, Board of County Commissioners, Florida

Opinion

In our opinion, the Statement referred to above presents fairly, in all material respects, the County Funded Court-Related Functions of the County as of September 30, 2020, in accordance with the financial reporting provisions of Sections 29.008 and 29.0085, Florida Statutes, as described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the Statement, which describes the basis of accounting. The Statement is prepared on the basis of the financial reporting provisions of Sections 29.008 and 29.0085, Florida Statutes, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America, to comply with the requirements of Sections 29.008 and 29.0085, Florida Statutes. Our opinion is not modified with respect to that matter.

Restriction on Use

This report is intended solely for the information and use of the Board of County Commissioners, management of the County, and the Chief Financial Officer of the State of Florida, and is not intended to be, and should not be, used by anyone other than these specified parties.
