SURVEYOR'S CERTIFICATE.

I, W. A. Lewinson, a duly qualified surveyor, do hereby certify
that at the request of H. J. Carter, the owner thereof, I have
carefully and accurately surveyed and subdivided that portion of
Lots One Section 15 and Lot Five of Section 22, Township 45 S
Range 26 E. Lee County, Florida. And in accordance with said
survey have made the annexed plat of said lands, which plat
correctly shows the numbers and dimensions of all lots into which
said lands have been subdivided and platted and that the subdivision
be hereafter recorded and designated as Crescent Bend Grove. That said
survey and the accompanying plat are based upon the line extending
from the north bank of the Caloosahatchee River, North along the East
Lines of Lots 5 Section 22, and 1 of Section 15, to the N.E. Corner of said
lot 1, said line being the east line of Sections 22 and 15 and the
distances between said points being 1732 feet, thence west along the
and
North line of lot 1 Section 15, 1600 feet thence South / parallel with
the east line of said section 15 and 2, 1457 ft, thence West 200 feet
thence South 516 feet to the north bank of the Caloosahatchee river,
thence Easterly following the said line of the North bank of the
river to point of beginning. magnetic Variation +30 East. Said
plat is drawn to a scale of 20 feet to one inch, and the surveys
upon which it was based were made by me, June 26th 1910.
