

STATE OF FLORIDA,

CASE NO.: _____

vs.

Defendant.
_____ /

**CONDITIONAL PLEA OF NO CONTEST
VERIFIED STATEMENT OF ADMISSION AND
WAIVER OF APPEARANCE**

Under penalty of perjury, I swear or affirm as follows:

1. My name, address, and telephone number are: (please print clearly)

Name: _____

Address: _____

Phone No.: _____

2. Email address: _____

3. Citation Number and Court date (if any):

Citation Number: _____

Court date: _____

4. I am the defendant in the above-referenced case and I have been charged with the following violation(s): (List the charges as you understand them to be)

5. This is a conditional plea of NO CONTEST to the citation(s) I have listed above. In the event my plea is not accepted, this is not an admission but is a conditional plea to the citation(s). I understand that I am requesting the Court to Withhold the Adjudication of Guilt on the above listed citation(s), so that I will have “no points” on my record from this citation. I understand that if the Court declines to approve my Conditional Plea of No Contest, this matter may be set on a regularly scheduled civil traffic infraction docket. I further understand that if the Court accepts my Conditional Plea of No Contest, I will be obligated to comply with the resolution the Court has imposed (which may require attendance at traffic school) within 90 days, or my driver’s license may be suspended. Please be advised, if you are unaware

if the plea has been accepted, you will need to appear at the scheduled hearing date.

6. If the Court finds that a withhold of adjudication is NOT appropriate, I wish to:

___ Plead no contest, accept the points associated with the adjudication, and pay the fine regardless; OR

___ Request a court date.

7. Further, if my citation(s) involve(s) improper equipment, no proof of PIP, failure to display a valid driver license or a valid registration, I have attached copies of my current valid driver's license; insurance that was valid on the date of the infraction; a valid motor vehicle registration and/or proof that any equipment defect has been repaired, etc. I also understand that infractions involving accidents or mandatory court appearances will be set for hearing.

8. If the citation to which I am entering a plea is for Driving While License Suspended, I am aware that under Florida law, three or more convictions of this offense within a five year period, regardless of adjudication, may result in my designation as a Habitual Traffic Offender under Fla. Stat. §322.264 and suspension of my driver's privileges.
