LEE COUNTY, Fla. — The Lee County Clerk of Courts is offering new convenient services.

ClerkExpress is a new service that allows customers to check-in via text message to avoid waiting in the lobbies for court services.

Before customers leave their house, they can text “getinline” to 866-915-9224.

They will receive a text message prompting them to choose a location and service. Then they are prompted to text back when they arrive at the Clerk’s office.

Once ready to be served, the customer will receive another text message advising them to proceed to the lobby.

For added convenience, the Clerk’s office also provides customers with a QR code that auto-populates the text message to the ClerkExpress system.

Currently, the new service is available only for Court service appointments at the downtown Justice Center complex located at 2075 Dr. Martin Luther King Blvd.

Before making the trip, customers are advised to check the Clerk's website to see if any specific documents or payment methods are required.
